

LAPTOP SECURITY

Tips to protect your laptop
— and the valuable info on it.

[FTC.gov/OnguardOnline](https://www.ftc.gov/OnguardOnline)

Treat it like cash

Password-protect it

Keep passwords
somewhere else

Don't leave it
in the car or
"for just a sec"

Pay attention:

- in hotels — use the in-room safe
- at airports, especially at security

Consider carrying it
in something
other than a
laptop case
